

For a limited time, Open Enrollment is available to all Locals participating in the Voluntary Life Insurance program!

Local members in Good Standing **have until August 1st, 2010** to purchase up to \$20,000 of additional life insurance for themselves, up to \$10,000 for their Spouse, and \$10,000 for their Dependent Children – *without any Medical Questions asked!* This insurance would be in addition to the Basic life insurance benefit you receive under the new Standard Insurance Company program. Sorry but this option is not available to members who have previously been declined for Additional Life Insurance by MetLife.

After August 1st, you may still purchase additional life insurance, up to \$500,000, but it will require an application and will be subject to Underwriting Approval.

If you have any questions or need assistance with your purchase, please contact Kathy Rivera, the Voluntary Life Insurance Program Coordinator, at (708) 448-8900.

Sincerely,

Matt J. Hunt, CRIS
